CHAHAT

AI & PYTHON FACULTY

📞 9310298827   📍 H-NO-82,Police Enclave Nangloi-Najafgarh Road   ✉ chahatkumar1104@gmail.com

ABOUT ME

I'm passionate about turning data into meaningful insights and building smart systems that make a difference. With hands-on experience in Python, ML, and data visualization, I aim to grow as a Machine Learning Engineer. I enjoy learning new tools and applying them to real-world problems. .

2020 - 2022
Kendriya Vidyalaya

10 + 2

Developed a strong foundation in analytical thinking and problem-solving Gained early exposure to programming and computer fundamentals Participated in science exhibitions and coding events

IT 'O' LEVEL

2023 - 2024
NIELIT DELHI NORTH CAMPUS

Acquired foundational knowledge in IT tools, Python, web development Gained digital hands-on experience in programming, system design, and technologiesPrepared for entry-level roles in software development, technical support, and digital solutions

2024- 2025
NIELIT DELHI NORTH CAMPUS

IT 'A' LEVEL

Advanced training in AI, ML, databases, system design, and Python programming Covered both theory and hands-on projects in software development and AI applications Prepares for roles in machine learning, software engineering, and IT consulting

2025 - PERSUING
Indira Gandhi National Open University

Bachelor of Computer Applications (BCA)

Gained a solid foundation in computer science and software development Worked on academic projects involving machine learning, web applications, and databases Developed strong programming skills in Python, C++, HTML/CSS, and JavaScript

EXPERIENCE

2024 (NOV)-2025(MAR)

Kendriya

Vidyalaya

NIELIT(Project)

AI & PYTHON Trainer

Strong foundation in Artificial Intelligence (AI) concepts including machine learning algorithms, neural networks, and data-driven problem solving.Practical knowledge of Python programming for AI/ML applications, with experience using libraries like NumPy, pandas, and scikit-learn

SKILLS

- Scikit-Learn
- HTML/CSS/JS
- Python
- AI/ML
- Communication
- Problem Solving
- DBMS
- Pandas

CERTIFICATE

- IT-tools
- Web Devlopment
- Python
- Iot
- Cloud Computing
- Ai Bootcamp
- O Level
